Addison Moore : Sugar Kisses before purchasing it in order to gage whether or not it would be worth my time, and all praised Sugar Kisses:

21 of 21 people found the following review helpful. I wasn't feeling it By iHeart.cupcakes Not real at all. They throw out "I love you" for no discernible reason. There was just no depth. Nothing for me to hold on to. I love many of Addison Moore's books, but not this one. I feel like I've lost precious time and I'm annoyed that I will never get it back. Skip this one, but don't skip Addison's other books. 12 of 12 people found the following review helpful. missed the mark By Customer For a 300 pg I expected more content. It seems like the author needed to hit a certain page number and when she did she gave everything a happy ending with no real explanation. The bad guy was made out to be butterfly net crazy through the whole book but at the end just decided 'ah, changed my mind'. Then there was the issue with the friends and family of the couple. They had all this mention and issues with the h and H being together and said some pretty nasty stuff. But again that magic page number was hit and all was well in the world. It makes me sad because the story line had really great potential but it just missed the mark. I won't be reading the other books in the series. 45 of 48 people found the following review helpful. Terrible, don't waste your money By Sarah This book was up there with some of the worst books I've ever read. It's the first time I have asked for a refund on a book, usually I will let it slide but this one really was bad. They went from not really talking to making out in a bar and then saying I love you all in what it seemed to be a very short amount of time. It was just so un realistic, and painful to read, I only got 50% of the way through before I couldn't handle any more. Save your money for a better book!!

From the New York Times and USA Today best-selling author, Addison Moore. Cosmopolitan magazine calls Addison's books, "...easy, frothy fun!" Sugar Kisses - nothing tastes sweeter than revenge.... Roxy Capwell couldn't be more miserable. She just had her heart stomped on by her cheating boyfriend, and the last thing she's looking for is love. She hates men. Cole Brighton couldn't be happier. He's a player of the highest order, there's not a girl at Whitney Briggs University that he can't tag and bag. He loves the ladies. Roxy's dream is to own and operate her own bakery one day, but with no oven in her dorm, and a lucrative baking competition on the horizon, she agrees to move in with her best friend's brother, the obnoxious, womanizing, Cole Brighton. Between the heavenly scent of baked goods, and Roxy's perfect body strutting around the apartment, Cole can't think straight. So when Roxy's ex starts sniffing around again, Cole volunteers to play the part of her new boy-toy and things get heated both in and out of the kitchen. Roxy discovers she might not hate every man on the planet, and Cole discovers nothing tastes better than Roxy and her late

night Sugar Kisses.
